

# Company statement

9 December 2016

You may have read about the Financial Conduct Authority (FCA) calling for more safety measures around retail trading instruments.

At ayondo, the security and safety of your assets are always a top priority, ensuring that you are sufficiently supported to focus solely on your investments.

As a highly valued ayondo customer, you have benefited from these unique security measures:

- ayondo has established further security of up to GBP 500,000\* through additional insurance protection over and above the Financial Services Compensation Scheme (FSCS) of GBP 50,000 for all ayondo customers
- ayondo has removed negative balance funding obligations for all ayondo branded trading accounts
- ayondo offers portfolio loss protection and guaranteed stops\*\*
- ayondo offers variable margins – you can tailor your risk appetite at any point in time

Our Social Trading product is a way of allowing you to manage your trading responsibilities and to learn from our Top Traders by following their strategies in real-time with a fully automated system.

We also place huge importance on the education of our clients and will continue to operate to the highest standards to make you a happy customer.

\* The insurance of up to £500,000 applies only to eligible claimants holding an ayondo markets branded account.

\*\* Guaranteed stops are not available on all products and are only applicable below a certain trade size and they do not apply for Social Trading.
